Report of Director and School Improvement Council

Preparing students for their hopes and dreams is the focus of the Technology Center which is a career center that serves over 1200 students per day from Bethune-Bowman Middle/High School, North Middle/High School, Orangeburg-Wilkinson High School, and Calhoun County High School. A Blue Ribbon Lighthouse School of Excellence (awarded in 2007) and a Red Carpet School, the Technology Center continues to provide efficient and effective instruction to prepare students for college, the military or the work force. Our staff consists of 32 highly-qualified teachers and an excellent support staff.

We have increased the number of students achieving state and national industry certifications by continuing to implement literacy and numeracy programs where literacy and numeracy strategies are integrated into Career and Technology courses. We are continually recognized for our successful integration practices.

Because of our support programs and School to Work Coordinator, fifty students have experienced paid work-based experience and co-ops. In addition, we have student organizations which promote leadership competitions at the district, regional, state, and national levels, an advisee-advisor program, dual credit, and many others.

Numerous awards are granted to CTE students in district, state, and national competitions. Several of our students placed first in state-level competitions to qualify to compete at the national level. Our students received gold, silver, and bronze medals and certificates for scoring at or above the national level on the Work Keys Assessment. We have also had students to become certified in Cosmetology, First Aid, IC3, Safe Serve, NCCER and as a Certified Nursing Assistant.

The success of The Technology Center is also contributed to the many partners in higher education, business, community agencies, and parents. We pride ourselves for being a school that "Integrates real-world application into everyday learning!"

Johnny L. Murdaugh, Jr. Ed.D., Director
Cathy Bamberg, PTO President
